Publications by Leo J De Vin

Scientific Journals:
4. PR Moore, AHC Ng, Y San Ho, M Sundberg, CB Wong & LJ De Vin, Advanced Machine Service Support using Internet-enabled 3-D based Virtual Engineering, International Journal of Production Research, 2008, 46 (15), pp. 4215-4235
10. LJ De Vin, Expecting the unexpected, a must for accurate brakeforming, Jrnl of Materials Processing Technology, 2001, Vol 117, 244-248

Scientific Conferences:
5. LJ De Vin, Process Planning Issues in Air Bending of Sheet Metal, SPS'09, Gothenburg, Sweden, pp 334-341, 2009
15. M Urenda Moris, T Lezama & LJ De Vin, Robust design of a Maternity ward supported by discrete event simulation - a case study, proceedings of FAIM 2007, Philadelphia US, pp 107-114, 2007
16. LJ De Vin & AHC Ng, Simulation Based Decision Support for Service and Maintenance, CD-ROM proceedings of SPS07, Gothenburg, Sweden, 2007
27. LJ De Vin, Air Bending of Sheet Metal, FAIM 2005, Bilbao, Spain, 465-473
28. LJ De Vin, AHC Ng, J Oscarsson & SF Andler, Information Fusion for Simulation Based Decision Support in Manufacturing, FAIM 2005, Bilbao, Spain, 135-144
34. LJ De Vin, H Lagerström & D Brade, Verification, Validation and Accreditation – Lessons from the Defence Sector, 2nd IWMSL, Dublin, Ireland 2005, 12-19
35. B Gawronska, B Olsson & LJ De Vin, Natural Language Technology in Multi-Source Information Fusion, IPSI 2004 Conference, Košice, Slovakia
42. LJ De Vin, J Oscarsson, AHC Ng, M Jägstam and T Karlsson, Manufacturing Simulation: Good Practice, Pitfalls, and Advanced Applications, IMC-21, Limerick Ireland, 2004, 156-163
44. M Nilsson, P Solding & LJ De Vin, A System Architecture for Integrated Simulation-Based Production Planning and Scheduling, Mechatronics 2004, Turkey 2004, 815-824
47. T Karlsson & LJ De Vin, Effective Manufacturing Resource Modelling, IMC-20 Conference, Cork 2003
48. M Sundberg, AHC Ng & LJ De Vin, Distributed Modular Logic Controllers for Modular Conveyor Systems, IMC-20 Conference, Cork 2003
51. AR Nordqvist, LJ De Vin & PR Moore, Integrating Manufacturing Systems with their Users, Mechatronics 2002 Conference, Enschede NL, 686-694
56. LJ De Vin, PR Moore, J Pu, AHC Ng, S Steiner, A De Vicq & AJ Medland, ARMMS – A Review of Approaches to Agile Manufacturing, IMC-19 Conference, Belfast 2002, 3-11
61. LJ De Vin & M Jägstam, Why We Need To Offer A Modeling And Simulation Engineering Curriculum, 2001 Winter Simulation Conference, 1599-1604
63. LJ De Vin, Expecting the unexpected, a must for accurate brakeforming, IMC-17 Conference, Galway 2000, pp 169-176
64. J Magee & LJ De Vin, Process planning for laser assisted forming, IMC-17 Conference, Galway 2000, pp 77-85
67. LJ De Vin, Tool selection and Bend Sequencing for Die-Bending, SheMet98, April 1998, Enschede, NL, II 189-198.
73. LJ De Vin, A DFM Study of a Bracket, SheMet97 Conference, April 1997, Belfast, UK, 61-68.
79. LJ De Vin, UP Singh & W Urquhart, Cost Pre-Calculation as an Aid to Design and Manufacture, Shemet95 Conference, Birmingham, June 1995, 125-134.

Trade Journals and Technical Papers:
4. LJ De Vin, Tolleranze nel progetto e nella lavorazione di prodotti da lamiera metallica, Lamiera, May 2003, 78-86 (in Italian)
5. LJ De Vin, The Importance of Curvature Prediction in Air Bending of Metal Sheet, Lamiera, April 2001 (in Italian)
6. LJ De Vin, Controllo adattativo nella piegatura alla pressa, Lamiera, September 2001, 136-144 (in Italian)

Miscellaneous:

- Editorials and Proceedings
- PhD Thesis
- Selected other publications and presentations:
  - Tillståndsbaserat underhåll med hjälp av Information Fusion, UTEK seminarium tillståndsbaserat underhåll, May 2007, Arlandastad (Sweden)
  - Spela på hästar eller satsa på produktionsteknik? Popular science lecture, University of Skövde, September 2002
  - VISP, presentation (with Bengt Lindberg, KTH, and Per Gullander, IVF) of VISP project at trade fair “Konstruktion och Design”, Gothenburg (Sweden), May 2002
  - Redogörelse för grundtankarna i några utvalda föredrag från SheMet2000, In Noterat Utifrån (IVF Plåtforum), Årgång 10 Nr 32, 2000, pp. 18-25
  - Redogörelse för grundtankarna i några utvalda föredrag från SheMet2000 (Del 2), In Noterat Utifrån (IVF Plåtforum), Årgång 10 Nr 33, 2000, pp. 38-46
