

## User account application form

In order to be able to use the IT systems at the University of Skövde, you need to activate your student user account. Print the form on page 2, fill it out and send it to:

IT Service  
User account application  
Box 408  
S-541 28 Skövde  
Sweden

You can also scan it and e-mail it to [helpdesk@his.se](mailto:helpdesk@his.se). We will send the account information to your mailing address.

Your user account is active one semester after your last registered course is finished.

By activating your account you agree to follow the rules for use of the computer systems at the University. They can be found at <http://www.his.se/user-account/>.
