

Facts about

Xenia

The residence hall Xenia has 90 dorm rooms and is located 500 meters from the University. It takes about 7-10 minutes to walk from the University Campus to Xenia. For those with a car, it is possible to rent a parking space.

There is a restaurant and a bakery in the building.

Each room is 18 m² and fully furnished. The rooms have each a private shower and toilette. Each floor has a common kitchen and common refrigerators that the students share.

You share the kitchen with about 14 other students. The kitchen is fully equipped. Floors 1 and 2 we have newly remodeled kitchens that are larger while on floors 3-6 we have smaller kitchens supplemented with a living room.

There is a laundry room with washing machines and tumble dryers in the basement. The laundry facilities can be used free of charge. Electricity, heating, water, and basic Internet is included in the rent.

Refrigerator

All student rooms have a small fridge for a fee of 198 SEK/month. The student must inform us when booking if he/she does **not** want a refrigerator in the room, in which case we will remove the refrigerator and no fee will be charged.

Bed linen and towels

Each room is furnished with a bed, mattress, blanket and pillow. You must use bed linen on the bed, therefore there will be a bag of bed linen and towels in the room. If you choose to use these, SEK 650 will be deducted from the deposit.

If you choose to bring your own and will not use bed linen and towels in the bag, return the bag **unbroken** with the room number on it.

Safety

For your safety we have TV-surveillance and fire alarm in the building. There is a **smoking ban throughout the entire building**. If you break this rule, you risk being evicted.

Rules in Xenia

- It is strictly forbidden to smoke in the building.
- It is to be quiet in the building after 22.00 hours every night.
- Everyone must respect the rules and Swedish laws.
- If someone is breaking the rules, he/she will be given a warning and risk losing their contract.
- Cleaning of the rooms is done by the students themselves. The tenants must also be responsible for cleaning and keeping order in the kitchen and corridors so that employed staff from ThuleHus can carry out their cleaning in a correct and efficient manner.
